4) Special Remarks:-

4-1) During the year under audit inter branch balances are not matched, we suggest inter branch balances should be matched and reconciled.

4-2) The internal audit of the unit was conducted by CA D. V. Sathbhai. His draft audit report is received at unit office. It is the practice of this internal auditor to only give Draft Audit Report. Final Audit report should be asked for and be kept on record, otherwise the intention of appointing internal auditor lacks in letter and spirit.

4-3) Several Fixed Deposit receipts are not renewed on time. Hence the interest is not booked for the same. FDRs should be renewed on time and correct interest be accounted for to avoid loss of Income.

4-4) Fee receivable is not not tallying with the list of the students and and their respective fee structure. Hence income is not correctly booked.

Fees received from the students is not tallying. Some students are having credit Balance and some have double debits.

Unit should exercise caution while accounting for fees receivable and fees received account. Proper fee reconciliation should be prepared and matched it with admission records and tally entries.

4-5) Provident Fund and Profession Tax are statutory liabilities and must be paid on time correctly. The deductions made from employees and amounts paid to government should match every month. There are some errors in current year as well as some mismatch in the opening balances. The said accounts should be checked, reconciled and necessary action should be taken after passing due Profession T. D.

Profession Tax RS. 32,400 is deducted and PT paid against it is Rs.32,600. Also there is old balance of Rs. 3,620.00. These accounts should tally at all times Provident Fund Entries are to be done properly. PF employers contribution should be accounted separately.

4-6)) The Old balances should be written off after the due resolution is passed

5) GENERAL SUGGESTIONS:

5-1) Balance confirmation letters regarding various advances payable & receivable at the end of the year should be obtained from the concerned units and same should be reconciled with our accounts.

5-2) Visitors should check the cash in hand periodically..

5-5) Fixed Asset Register and Investment Register shall be maintained by the unit.

Other remarks given by CA D.V.Sathbhai in the draft Internal Audit Report stand continued.

We are thankful to the Chairman of the School Committee, Principal & staff members of the P.E.Society's Modern College of Commerce & Computer Studies, Yamunanagar, Nigdi, Pune – 411044 for their kind co-operation extended to us during the course of our audit.

4) Special Remarks:-

4-1) During the year under audit inter branch balances are not matched, we suggest inter branch balances should be matched and reconciled.

4-2) Several Fixed Deposit receipts are not renewed on time. Hence the interest is not booked for the same FDRs should be renewed on time and correct interest be accounted for to avoid loss of Income.

4-3) Fee receivable is not not tallying with the list of the students and and their respective fee structure. Hence income is not correctly booked.

Fees received from the students is not tallying. Some students are having credit Balance and some have double debits.

Unit should exercise caution while accounting for fees receivable and fees received account. Proper fee reconciliation should be prepared and matched it with admission records and tally entries.

In some cases, the details of the students i.e. payee are not available with the college in case of deposit of fee by the student through the electronic modes. The college should reconcile those figures with receivables in order to show the correct amount of fee receivable from the respective student.

4-5) Provident Fund and Profession Tax are statutory liabilities and must be paid on time correctly. The deductions made from employees and amounts paid to government should match every month. There are some errors in current year as well as some mismatch in the opening balances. The said accounts should be checked, reconciled and necessary action should be taken after passing due resolutions.

Profession Tax RS. 31,000 is deducted and PT paid against it is Rs.30, 800. Also there is old balance of Rs. 3,820.00. These accounts should tally at all times

Provident Fund Entries are to be done properly. PF employers contribution should be accounted separately.

4-6) The Old balances should be written off after the due resolution is passed.

4-7) During the year under Audit, it was noticed that, there were many late payments of Provident Fund. The statutory dues should be paid within the due date so as to avoid the late fees and interest.

5) GENERAL SUGGESTIONS:

5-1) Balance confirmation letters regarding various advances payable & receivable at the end of the year should be obtained from the concerned units and same should be reconciled with our accounts.

5-2) Visitors should check the cash in hand periodically.

5-5) Fixed Asset Register and Investment Register shall be maintained by the unit.

We are thankful to the Chairman of the School Committee, Principal & staff members of the P.E.Society's Modern College of Commerce & Computer Studies, Yamunanagar, Nigdi, Pune – 411044 for their kind co-operation extended to us during the course of our audit.
