Dear Sir / Madam,
Greetings from CEDA

CEDA is a unique initiative which aims at facilitating the various stakeholders of Higher Education in the area of Quality Enhancement and Quality Sustenance. Over last five years we at CEDA have worked with a number of colleges and institutes for the same. Apart from consultation for quality assurance, training programmes for various stakeholders of HEI has been a major concern at CEDA. This has indeed been a learning experience for all of us at CEDA and we are happy to share our experiences, perceptions and insights into issues and concepts related to Higher Education with you.

We all are aware that there has been tremendous growth in HEIs. This quantitative growth coupled with ever increasing Gross Enrolment Ratio has led to a continuous requirement of trained academic and administrative human resource. Further, with this quantitative growth of HEIs, the problem of maintaining and enhancing the quality of HE, facilitating skill education, ensuring employability along with professionalization of HE, have become great challenges for Managements of Institutions. On the whole, vision and constancy of purpose are the most important concerns of educational leaders. Their aim is to establish best educational policies, strategies and practices with a view to creating competent graduates who will be capable of facing challenges of the society of tomorrow.

Today the job of a College / HEI Administrator has become much more complicated. He / she has to deal with several groups, within and without the college system which have conflicting goals and interests. In addition, he / she has to operate within the limitations of framework of a variety of regulatory bodies such as University, State and Central Government authorities, UGC, NIRF, AICTE, NAAC, NBA and so on. These various regulatory bodies and stakeholders have different perceptions of the role of the Academic Administrator and conflicting expectations from the Academic Administrator. Moreover, while providing leadership to the college / institute the educational administrator has a mandate of building his / her institution.

We at CEDA sincerely believe that experts and practitioners together will indeed be able to come to common understanding and consensus to deal with all such challenges. **In view of this, CEDA proposes to organise Five day National Level Workshop on Leadership Development and Institution Building from 1st January 2019 to 5th January 2019.**

We sincerely appeal to you and cordially invite you to join this workshop. We hope and trust that your enthusiastic and insightful participation in this programme will go a long way in our collective effort to find out innovative ways and means to address the challenges and issues in HE.

We look forward to your participation in this workshop. As there are limited seats available, an early registration will be appreciated .

With best wishes.

Yours sincerely,

Prof. Aniruddha Deshpande
President, CEDA

Contents of the Workshop

This workshop consists of sessions by distinguished academicians, open forum discussions, group activities and a visit to an HEI of high repute.

The various sessions would consider a number of significant themes broadly under four areas - **Academics, Governance, Quality and Futuristic Approach.**

Considering these areas, several important topics will be discussed. To name a few :

- Quality enhancement and sustenance in HEIs.
- Comprehension of the role of various authorities and bodies like UGC, RUSA.
- Pedagogical issues, Experiments, Innovations.
- Finance and Accounts.
- Teaching, Research and Extension activities.
- Institutional Social Responsibility.

Who can participate?

This workshop has been designed to facilitate the Heads of the Higher Educational Institutions. Therefore, Principals of Colleges /Directors are requested to enrol.

Last Date for Registration - 20th December, 2018

Registration Fee: Rs 15000/- (Rs. Fifteen Thousand Only) per participant
This includes lodging, local hospitality and programme kit.
Local conveyance (if any) shall have to be borne by the participants.

The amount of fee can be paid by a Demand Draft drawn in the name of Centre for Educational development Administration (CEDA), PUNE
