Event: Fire Drill Activity

Resource Person: **Ravi Subramanyam**

Date: 25/11/2017

Time: 11:00 am

Venue: Modern College campus

**Introduction:** A fire drill is a simulation of a real life emergency event and should be treated as such, for the safety of all concerned. Fire drills are critical for ensuring the safety of the staff, students and residents that enter your college building or property. Practicing fire drills will help ensure individuals have the knowledge to safely escape a fire without injuring themselves or others.

**Objective of the Event:**

- To Involvement of teaching and non-teaching staff during emergencies Preparedness and alertness
- To understand The features of the fire emergency systems installed in the building.
- To understand what they need to do if there is a fire

The event "Fire Drill" was conducted by MCCCCS College. This program was conducted on the 25th November 2017 under the guidance of Asst. Prof. Rohit Waghmare, Assistant Professor at MCCCCS, coordinated the event successfully.

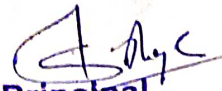

Fire drill started at 11 am when all Teaching and Non-teaching staff arrived at the college campus. Classroom faculty and staff should be familiar with the easiest exit to be used in the fire drill and the alternative exits available. Faculty and staff should close (not lock) doors and windows and take responsibility for checking facilities for complete evacuation. A briefing was done on Fire and Emergency response during Fire Emergency. The fire-fighting team used the right Extinguisher for the Extinguishing purpose(DCP, Water). The workforce remained calm, while the mock drill was in progress, and showed keen interest to get knowledge about the emergency.

**Total Number of Participants: 06**

**Outcomes:** Classroom faculty and staff should be familiar with the easiest exit to be used in the fire drill and the alternative exits available. All were very happy to attend the program & also suggested many more such activities for safety purposes.

## Report

### Academic Year 2018-19

Modern College of Commerce and Computer Studies organised Faculty Development Programme for its staff. Prof. Yugandhara Patil coordinated the Programme and invited appropriate resource persons with guidance from Principal Dr. Sadashiv L. Shirgave. Experts from different fields were called to conduct workshops and orient and update the staff on the new and upcoming challenges and trends in the field of pedagogy. There were four sessions conducted ranging on varied topics. A brief summary of each session is given below.

#### Session - I

**Topic:** Teacher and Administration  
**Resource Person:** Prof. Vikrant Joshi  
**Date:** 10 September 2018  
**Time:** 11:30 am to 01:00 pm

Prof. Vikrant Joshi, discussed functional hierarchy in administration, or how the hierarchy of posts in an organization is arranged from highest to lowest. He also discussed the Maharashtra University Act and other statutes and administrative rules. Sir spoke about the current changes in higher education as well. He shared his personal experience and elaborated on the traits of a good teacher.

#### Session - II

**Topic:** How to communicate effectively with students  
**Resource Person:** Prof. Mahesh Salvi  
**Date:** 10 September 2018  
**Time:** 01:30 am to 03:00 pm

Prof. Mahesh Salvi spoke to the faculty about effective ways to communicate with students. He emphasised the significance of communicating effectively with students and using language appropriate for them. He discussed how communication is tied to the humanities, social sciences, and language. He underlined the need to communicate with students while also being aware of their backgrounds. He also explained the need of comprehending curricular standards.

### Session - III

**Topic:** Role of Teachers in Administration: current challenges

**Resource Person:** Prof. Prasad Ghodake

**Date:** 11 September 2018

**Time:** 11:30 am to 01:00 pm

This session highlighted the current difficulties teachers encounter in their administrative roles as well as solutions. Teaching requires certain values, according to Prof. Prasad Ghodake. He clarified the distinctions between a teacher, mentor, guide, and guru. The distinction between information, knowledge, and wisdom was also mentioned by Sir. He emphasised the value of a multidisciplinary approach to instruction and how it was urgently needed.

### Session - IV

**Topic:** Globalization in higher Education

**Resource Person:** Dr. Mandakini Bhosale

**Date:** 11 September 2018

**Time:** 01:30 pm to 03:00 pm

Dr. Bhosale discussed the necessity of globalizing higher education so that graduates might connect with students from other parts of the world. Dr. Bhosale madam outlined the prospects and challenges for the same. Madam also stressed how crucial it is to train the system and employees so they can compete with any foreign university. Ma'am elaborated on the idea that India would soon become a popular location for higher education and that it was crucial to be ready for this.

The response from the staff for all the four sessions was that they found the session very informative. They said it helped them to gain a better understanding in areas they were lacking and where they needed improvement. The staff appreciated the learned resource persons and mentioned that they gained a lot of knowledge from the program.

**Date:** 20/12/2021

**Time:** 12:30 pm

**Venue:** Modern College campus

**Introduction:** A fire drill is a simulation of a real life emergency event and should be treated as such, for the safety of all concerned. Fire drills are critical for ensuring the safety of the staff, students and residents that enter your college building or property. Practicing fire drills will help ensure individuals have the knowledge to safely escape a fire without injuring themselves or others.

**Objective of the Event:**

- ✓ To Involvement of teaching and non-teaching staff during emergencies Preparedness and alertness
- ✓ To understand the features of the fire emergency systems installed in the building.
- ✓ To understand what they need to do if there is a fire.

The event "Fire Drill" was conducted by MCCCCS College. This program was conducted on the 20<sup>th</sup> December 2021 Under the guidance of Asst. Prof. Dr. Dinkar Chavan , Assistant Professor at MCCCCS, coordinated the event successfully.

Fire drill started at 12:40 pm when all Teaching and Non-teaching staff arrived at the college campus. Classroom faculty and staff should be familiar with the easiest exit to be used in the fire drill and the alternative exits available. Faculty and staff should close (not lock) doors and windows and take responsibility for checking facilities for complete evacuation. A briefing was done on Fire and Emergency response during Fire Emergency. The fire-Fighting team used the right Extinguisher for the Extinguishing purpose (DCP, Water). The workforce remained calm, while the mock drill was in progress, and showed keen interest to get knowledge about the emergency.

**Total Number of Participants:** 17

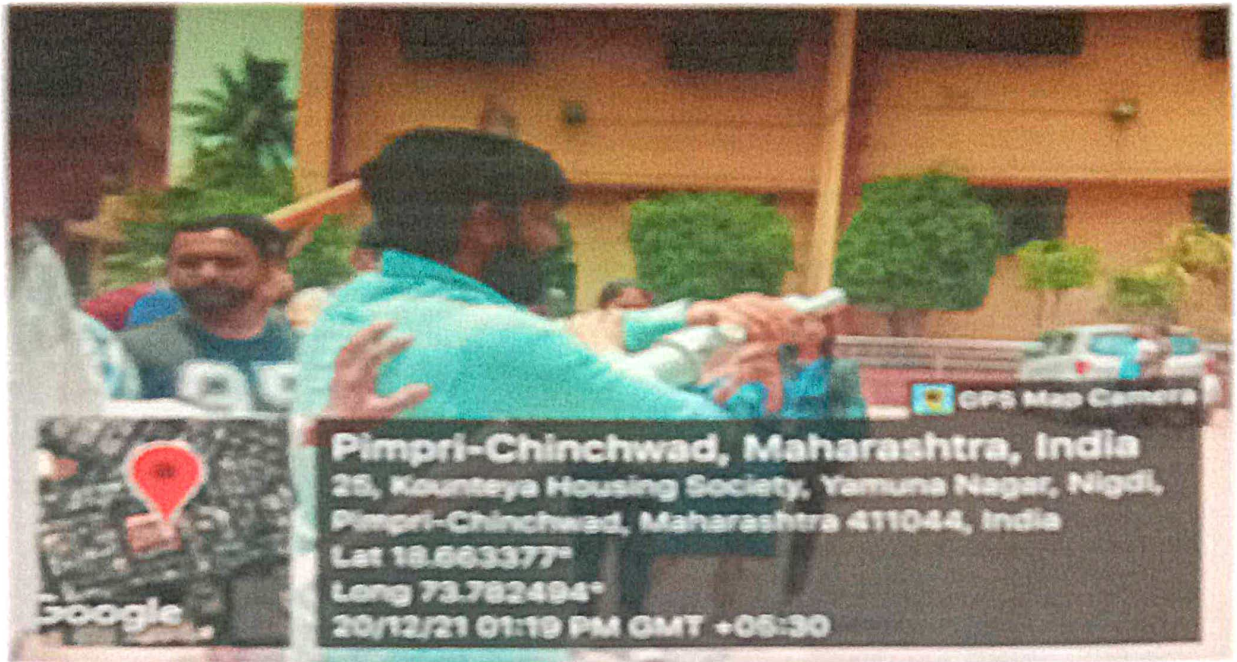

**Outcomes:** Classroom faculty and staff should be familiar with the easiest exit to be used in the fire drill and the alternative exits available. All were very happy to attend the program & also suggested many more such activities for safety purposes.

**Academic Year 2021-22**

Modern College of Commerce and Computer Studies organised Faculty Development Programme for its staff. Prof. Ravikiran Kakade coordinated the Programme and curated the topics and invited appropriate resource persons with guidance from Principal Dr. Sadashiv L. Shirgave. Experts from different fields were called to conduct workshops and orient and update the staff on the new and upcoming challenges and trends in the field of pedagogy. There were four sessions conducted ranging on varied topics. A brief summary of each session is given below.

**Session - I**

**Topic:** Patents and Trade mark Registration Process

**Resource Person:** Prof. Bharati Aramani

**Date:** 08 February 2022

**Time:** 11:30 am to 01:00 pm

Prof. Bharati Aramani, discussed Intellectual property rights play a key role in international trade in the modern era. In today's digital environment, there is a greater possibility of creative ideas being copied without the author's permission. The requirement for robust IP legislation contributes to the overall economy of the individual state. IPR is one of the only methods of protection for intangible assets that are still accessible to the general public. With the increasing focus on innovation and research, there is an increasing need to learn about intellectual property rights. She shared her personal experience and elaborated Patents and Trade mark Registration Process

**.Session - II**

**Topic:** Time Management

**Resource Person:** Prof. Gajanan Badhe

**Date:** 08 February 2022

**Time:** 01:30 am to 03:00 pm

Prof. Gajanan Badhe spoke to the faculty about effective ways of utilization of Time. Time management is the act or process of planning and exercising conscious control over the amount of time spent on specific activities, especially to increase effectiveness, efficiency or productivity. Time management may be aided by a range of skills, tools, and techniques used to manage time when accomplishing specific tasks, projects and goals complying with a due date. Sir also spoke on five steps to effective time management 1. Plan 2. Assess 3. Organize 4. Prioritize 5. Schedule.
