## ABOUT PROGRESSIVE EDUCATION SOCIETY

**HONORABLE, LATE SHANKARRAO KANITKAR**  
*Founder, PROGRESSIVE EDUCATION SOCIETY, PUNE*

Progressive Education Society is a reputed and distinguished educational institution in Maharashtra. Honorable, Late Shankarrao Kanitkar, along with his selfless dedicated team of teachers known for the highest moral values, laid the foundation of the Society on the auspicious day of 'Akshay Tritiya' on 16th May 1934 in Pune.

The two remarkable words that appear in the names of the Society and its educational institutions are "Progressive" and "Modern". The inclusion of these words was certainly with some noble intentions, which serves as a bright beacon for Progressive Education Society to follow with determination. 'Progressive' means keeping with the spirit of times and innovation while 'Modern' means Modern in outlook, up-to-date in all matters whether it is an academic, sports or cultural activities. It was resolved to use modern equipment and modern methodology to teach the students.

The aims and objectives of the Progressive Education Society as laid down in its Constitution are to impart generally to the rising generations of this country and particularly to the residents of Maharashtra, an efficient Pre-primary, Primary, Secondary, Higher Secondary and Collegiate education, embodying a literacy, scientific, technical, commercial and industrial training and the training of teachers by the establishment at Pune and other places in the Maharashtra State, as circumstances permit, of Pre-primary, Primary, Secondary, Higher Secondary Schools and Colleges or by such other means as may be most conducive to the attainment of the aims and objects of the Society.

## MESSAGE FROM CHAIRMAN SIR

**PROF. DR. GAJANAN R. EKBOTE**  
*CHAIRMAN, PROGRESSIVE EDUCATION SOCIETY, PUNE*

Modern College of Commerce and Computer Studies was started in year 2009. The fee structure of Modern College of Commerce and Computer Studies is well within the reach of poor and middle class students. Our mission is to develop competent, committed and compassionate leaders who will make a difference to the people among whom they work. It constantly scans the developments in business and in society and tries proactively to meet the challenges

Technology is advancing day by day. New institutions are launched every year in and around Pune city. Every institute is trying its best to give the best possible facilities to the students. However, it is our commitment to the students and parents that Modern College of Commerce and Computer Studies will definitely honor 2 words which are important to the management of Progressive Education Society i.e "Progressive" and "Modern"

**"I have always believed that the answer to my destiny lies in creating the results, I desire."**

## ABOUT COLLEGE

### **DR. SADASHIV SHIRGAVE**

*PRINCIPAL, MCCC'S, NIGDI PUNE*

The students admitted in the college come from different socio-economic background. They face different challenges. The college is focusing on training as well as industry interaction so as to impart knowledge and prepare competent employees as stated in the mission statement of our college. The college has well planned academic schedule, curricular delivery and monitoring. This is reflected in examination results and placements. The college has initiated capacity building program to assist the students to rise to their fullest potential which is also one of our mission statements. The holistic development approach will help us in addressing challenges due to different socio-economic background of students and empower them.

As per the new University act, college development committee is constituted. Through Strength Weaknesses Opportunities Challenges (SWOC) analysis, we identified that the faculty is the strength of our college. Safety and security of girl students is considered at highest priority. With the support of faculty and students, we will strive for continuing women empowerment. Our focus is on imparting holistic Education, develop a community of scholars with talent and expertise that will participate in excellence and national development. I wish that our students will Come forward to learn, go forth to serve and excel into the world with great strength, not only to do job but to remain beautiful human beings.
